**Art Made of Cans
for a Great Cause**

Good Samaritans of Garland's mission is feeding, helping, and serving through direct food assistance and collaborative partnerships with compassion and without judgement. Good Sam feeds over 2,000 food insecure families and individuals each month with the assistance of partnerships. Good Sam is partnering with Garland ISD Council of PTAs for a CAN-struct Competition with GISD elementary schools. Elementary schools will design and build a superhero themed structure from collected cans of food utilizing art, design, math, and problem-solving skills. Individuals and businesses can support the competition by sponsoring one or more elementary schools. *Sponsors will be recognized on event communications and displayed at structure(s).* There may be more than one sponsor per elementary school.

Sponsorship Opportunities – Deadline March 1, 2023

- **CAN-struct Competition Sponsorship** – Title sponsor for competition recognized on all event communication and signage at structures. If you know a business or individual that would be interested in serving as Title Sponsor, please contact Teria Bradford - development@goodsamofgarland.org - \$3,500
- **Engineer Sponsorship** – Assist and guide elementary school(s) design of structure. Elementary schools can obtain sponsor. Not required. Sponsor will be recognized on signage displayed at structure(s).
- **Supply Sponsorship** – Provide design structure supplies to elementary school(s) of choice. Elementary schools can obtain sponsor. Not required. Sponsor will be recognized on signage displayed at structure(s).

Structures will be judged March 20 - 23, 2023 * Awards presented March 24, 2023

***Best Design * Most Creative Design * Most Cans * Best "Can" Do Effort**
